To satisfy Regulation 5 of the Neighbourhood Planning (General) Regulations 2012 the following statement has been provided to explain why the area being proposed is considered appropriate:	
Since the parish of Thorndon encompasses a large central village area as well as surrounding hamlets and small settlement areas e.g. Hestley Green, parts of Rishangles, etc., it has been deemed appropriate that the neighbourhood plan considers and includes all areas under the remit of the Parish Council and therefore Parish boundaries.

Support provided for this choice:	
The potential for developing a plan was originally presented to the village in a presentation by Nick Ward during April 2016 which was well received and subsequently discussed at various Parish Council meetings. After much deliberation and meetings with Bill Newman (MSDC Planning Strategy Manager) and Glen Horn, Thorndon's district councillor, an internet based survey was staged by the Parish Council during September 2016 resulting in a mandate to develop a Neighbourhood Plan. A planning committee was established and had it's first meeting in May 2017, regular updates are provided at Parish Council meetings by the council member of the planning committee.
